

## MISSIONARY TO GIVE ADDRESS ON THURSDAY

MISS MARIE ADAMS WILL SPEAK TO GOBIN CHURCH GROUP

Miss Marie Adams, former missionary to Japan and China, will be the guest speaker for the November meeting of the Gobin Methodist Church Women's Society of Christian Service.

Miss Adams is a graduate of DePauw University, and did graduate work in Boston, Chicago, and Columbia Universities and Union Seminary in New York City.

The speaker arrived in the United States in January of this year. She had spent thirty-five years in missionary educational work in China. When she could not return to China because of the Communists, the Methodist Board sent her to Japan. The last five years she has been a teacher in Tokyo Woman's Christian College. While in China Miss Adams wrote about thirty pieces of Religious Educational material for youth, sponsored by the National Christian Council. This past year she revised the last six books she did in China for re-publication by the Council of Christian Literature for Overseas Chinese, which is sponsored by the American Council of Churches.

In 1929 the North Indiana Conference ordained Miss Adams a Local Deacon as "An Act of Appreciation." Two years later the North China Conference completed her ordination as a Local Elder.

The meeting will be held Thursday, November 15, at 7:30 p. m. in the Gobin Community Hall. All women of the church and community are invited to attend.

## Mrs. Iva Ader Called By Death

Mrs. Iva Dollie Ader passed away Monday morning at the Craver Nursing Home.

Mrs. Ader was born Feb. 8, 1884 the daughter of Hamilton and Martha Alice Wright. She was married to William Ader who preceded her in death on April 27, 1952. They owned the New Maysville telephone for several years. She was a member of the New Maysville Community church.

Survivors are four brothers, James W. Wright, Roachdale, Otis Wright, Grand Haven, Mich., William J. and Estes R. Wright of California; six nieces and seven nephews.

Funeral services will be Wednesday afternoon at 2 o'clock, CST from the New Maysville Community church. Burial will be in the South cemetery in Danville, Ind.

Friends may call at the Chastain Funeral Home in Roachdale.

## Men Outnumbered By Weaker Sex

WASHINGTON (UP)—The women now outnumber the men in the United States by 1.4 million.

Ever since 1950, the nation's female population has been on the rise. That year, the number of women topped the number of men by only 600,000.

But as of last July 1, the Census Bureau reports there were 84,736,000 women to 83,355,000 men, a lead of 1.4 million.

The gap has more than doubled, primarily because of a higher average death rate among men and a decline in the number of males among immigrants.

## 20 Years Ago

HERE AND THERE

Prof. Herman Berg, violinist, and Edward Shadbolt, pianist, presented a program in Meharry Hall.

Tri Kappa met with Mrs. G. Herbert Smith.

Dr. Paul Fay delivered an Armistice Day address at the DePauw chapel hour.

## Club Will Hear Illini Teacher

A University of Illinois physicist will be featured at a meeting of the DePauw Physics Club here Tuesday, Nov. 13, at 7 p. m. in Minshull Laboratory.

He is Dr. David Lazarus, former faculty member at the University of Chicago and recipient of the doctor of philosophy degree from Chicago in 1953.

The public has been invited to hear Dr. Lazarus' illustrated lecture on the subject, "Imperfections in Solids," in Room 20 of the laboratory building.

Special fields of interest for the Illinois professor are the physics of solids and ultra-high frequencies.

## DISCUSSION WILL START

The first of four weekly discussions of Greencastle Citizens Consultation program will take place Tuesday, Nov. 13th, at 7:00 p. m. in the faculty lounge of the DePauw Student Union. All who have indicated their willingness to participate, and all others interested in this project are reminded of this meeting.

## New Mercury Is On Display

The "Dream Car," the 1957 Mercury, went on display at East Side Motors, Indianapolis Road, today, and according to Guy Williamson and Leo Grimes the reception of the motoring public has been tremendous. The beautiful new 1957 Mercury will be on display all this week, and the staff at East Side Motors is extending a cordial invitation to visit the showroom.

"These new Mercurys introduce a new concept of motoring with bold, new styling and many mechanical advances destined to influence the shape of cars for years to come," said F. C. Reith, Ford Motor Company vice president and Mercury general manager.

"Designed to provide unequalled ease, comfort, safety and performance for motorists on America's turnpikes and freeways as well as on rutty, rural roads or city streets, they represent one of the most extensive model changes in the history of the automotive industry."

"We are confident they will present Mercury's greatest challenge for public favor."

Mercury's long, flowing lines are highlighted by graceful, sculptured side projectiles topping low rear fenders and terminating in massive v-angle tail-lights which make Mercury unmistakable on any road.

The new Mercury's "dream car" styling is based on the XM-Turnpike Cruiser—an experimental model—which was introduced last January and has won nation-wide approval on its cost-to-cost tour this year.

Mercury will set an industry record never equalled for a "dream car"—to production model when dealers introduce the 1957 Mercurys in showrooms all over the United States.

The 1957 Mercury is 5 inches longer than the previous model, 3 inches wider and 4 inches lower. Headroom has been increased 2 inches and there is also more hip room and leg room. Wheelbase is up 3 inches from 119 to 122 inches and the front tread is one and a half inches wider.

## WELL KNOWN GREENCASTLE WOMAN DIES

MISS JENNIE THROOP DIED SUNDAY; LAST RITES ON TUESDAY

Miss Jennie Throop, the last surviving member of one of the oldest families in Greencastle, and the oldest member of the Presbyterian church, passed away quite unexpectedly in her home early Sunday morning.

Miss Throop, who for many of her earlier years, resided on East Seminary street with her mother and brother, Arthur Throop, a city engineer of the 90's, attended the city schools here and from childhood was an attendant and member of the Presbyterian church. Later for many years she taught in the Sunday School and was a leader in the Christian Endeavor and other activities of the group.

With a consistent devotion to her church she maintained this loyalty throughout her life and was happy that friends made it possible for her to attend its various services until the time of her death.

Aside from her church affiliations, Miss Throop had for many years been identified with the Boston Club and the Business and Professional Women.

With the exception of cousins there are no survivors.

Funeral services will be held at 10 a. m. Tuesday at the Hopkins-Walton Funeral Home. Rev. Donald Hartsock will be in charge.

Friends may call at the funeral home after 3 p. m. today.

## Tigers Tounce State, 46 to 13

Tiger claws were sharp Saturday afternoon as DePauw tounded the Indiana State football team, 46 to 13, in Blackstock Stadium before a huge Dad's Day crowd.

It was the first victory of the season in seven starts for the Old Gold squad, and needless to say, the players and Coach Bob Hicks were quite happy over the outcome.

This win may be the incentive for an upset over favored Wabash this coming Saturday at Crawfordsville in the annual battle of traditional rivals for the Monon Bell.

The Tigers chalked up two touchdowns in the opening quarter. The first came on a 37-yard pass play from Dene Knight to Dick Hackenberg. The second was also a pass play covering 15 yards from Morrie Goodnight to Knight. Phil Livengood kicked the extra point and it was 13-0.

State tallied in the second period on a nine-yard pass from Jim Sutch to Bill Griffith. Goodnight plunged over and the one shortly after and the half ended with DePauw leading, 19 to 6.

In the third frame, Tom Campbell ran 66 yards for a t.d. and Livengood again booted the additional point.

State scored on a 31-yard pass play from Bob Wilbur to Don Elar. Al Werneke's kick was good and it was 23 to 13.

The Tigers really broke loose in the final quarter with Skip Mathieson scoring from the three. Gregg Shackel, third string half-back scammed into paydirt twice on a two-yard plunge and a beautiful 56 yards run. Livengood kicked two extra points and that was the ball game with the Old Gold winning, 46 to 13.

## Ike, Mamie In Special Prayer

WASHINGTON (UP)—President and Mrs. Eisenhower joined in a special prayer Sunday for "freedom-hungry" peoples in Hungary, Poland, Egypt and the Middle East.

The Rev. L. R. Elson led the special prayer at services attended by the Chief Executive and Mrs. Eisenhower at the National Presbyterian Church. Dr. Elson also prayed for the swift recovery of Secretary of State John Foster Dulles who recently underwent an operation for intestinal cancer.

## HURST-COLLINS POST AT CLOVER ALE HOLDS VETERANS DAY DINNER

These members and others who were unable to attend the Veterans Day dinner by Hurst-Collins Post of the American Legion, received from 10 to 35 year pins following the dinner Saturday evening. Ivan Craigs, extreme right, received a 35 year pin from Commander Jack Davis, second from right. Others who were unable to be present included John O'Connor and George Finney. Getting 30 year pins were Lumie Lewis, Dan Nickerson, Jewett Nickerson, Ernie Query and Verley Rice. Getting 10 year pins were William Beck, Charles Brannaman, Frosty Burk, Paul Cassidy Earl Carter, William Cline, Ray Cline, O. B. Foster, Glen Horn, Gordon Hoffa, Albert Keller, Eugene Kroy, Verne Larkin Laurin Linley, William McCullough, C. F. Moser, Archie Neese, Hubert Nickerson, Persh Pickens, Vivian Sackett, Glee Truesdel, John Walker, Robert Walker, H. T. Sandy and Earl Taylor.

## Legion To Honor Veteran Members

Veteran members of the Cassell C. Tucker Post No. 58 of the American Legion will be honored tonight at the Veterans Day dinner of the Legion in the Gobin Methodist church.

Those honored will start with the 25 year members. Three members are 38 year Legionnaires as the Armistice was signed and the Legion was formed in Paris at that time. They are Audrie Fleenor, Harold Edwards and Walter Webb. Edward Coffman and Tablott Christie are 37 year members and there are a score or more of the 25 year members.

The speaker at the dinner tonight will be Dean Robert Farber of DePauw University. He served during the war and is a member of the local Post of the Legion.

It is expected there will be close to 300 at the dinner.

## MASONIC NOTICE

## CONDITION CRITICAL

Miss Mary Elizabeth Peck is reported in a critical condition at the Indiana University Medical Center in Indianapolis. Miss Peck, well known employee of the Central National Bank, became seriously ill Saturday night. She was taken to the Putnam county hospital and when her condition grew worse she was taken to the Medical Center.

## Body Found In Deserted House

INDIANAPOLIS, (UP)—Police hope today to identify the decomposed body of a man found in a deserted house by two boys. Police said the neatly dressed man might have been beaten to death. A sheet of blood-stained wrapping paper was found beneath the head of the body.

Dr. Frank Kinsley, deputy coroner, estimated Sunday that the man had been dead at least a week and possibly a month or more.

Esker Byrns, 9, and Leslie Reeder, 13, found the body on the second floor of the seven-room house which bore a "For Sale" sign. They had gone to the house with Esker's father, Ernest 53, to look over lumber the elder Byrns had planned to buy for a new home.

## JAMES M. OGDEN DIES AT INDIANAPOLIS SUNDAY

James M. Ogden, prominent attorney of Indianapolis and a graduate of DePauw University, died at Indianapolis Sunday. He was a trustee of DePauw University since 1911 and Dr. Humbert will one of the honorary pall bearers Tuesday, when services will be held in the Flanner-Buchanan Broad Ripple Mortuary.

## Two Injured In Local Accident

James Harold Craver, 17 years of age, struck a 1956 Dodge sedan from Crawfordsville near the Frank Durham home on east Franklin street Sunday evening, while Leroy Layson and party from Crawfordsville were looking at the Durham swimming pool. The Greencastle youth from Avenue C, was tuning his radio and did not see the Layson car until he hit it.

The Dodge sedan was pushed about 30 feet into a tree and was completely demolished. Two passengers, Raymond Douglas and Bertha May Douglas were both injured and sent to the hospital. Bertha May suffered a fractured leg and possible internal injuries.

Mr. Douglass had a broken wrist and head injuries. The Craver car was damaged to the extent of about \$275 Greencastle police reported.

## FLOAT SPONSORS WILL MEET ON WEDNESDAY

## Pilot Praises Latest Bomber

FORT WORTH, Tex. (UP)—The pilot who flew America's first supersonic bomber Sunday called the B58's maiden flight "outstandingly successful."

B. A. Erickson, a veteran 40-year old test pilot, flew the 95-ft. long needle-nosed Hustler for 40 minutes. The faster-than-sound bomber made its first taxi runs only 10 days earlier.

Erickson, chief test pilot and manager of flight at the Convair division of General Dynamics Corp., which built the B58, said the flight "was outstandingly successful and very satisfying."

## Bob Myers Has New Chryslers

Bob Myers Auto Sales, Inc. will be host this week to the motoring public at the show room at 317 North Jackson street. The occasion will be the first showing in this community of the "all-new" 1957 Chrysler. Mr. Myers and his staff are extending a cordial invitation to all to visit them this week for a "first-hand" view of this beautiful new automobile.

Combining such innovations as twin headlights, three-speed pushbutton Torque-Flite transmission and a revolutionary new Torsion-Aire suspension, the '57 Chryslers are offered in the New Yorker and Windsor series, plus an all-new Saratoga series in the middle-price range.

"In setting out to create the most glamorous cars in a generation, we have advanced Forward Look styling by creating a car with the motion feeling of a poised dart," said E. C. Quinn, President, Chrysler Division, Chrysler Corporation.

The 1957 Chryslers are new from tire tread. They bring to the motoring public smoother-riding 14-inch wheels, recessed lift-and-pull safety door openers, a combined heater-air conditioner, and up to 40 per cent larger wheelshields."

Three new V-8 engines—a more powerful FirePower V-8 in the New Yorker series, a new Spitfire V-8 in the Saratoga series and a new improved Spitfire V-8 in the Windsor series—offer higher performance and increased economy.

For 1957 Chrysler also introduces improved full-time coaxial power steering, lower-pressure tires, deep-section safety steering wheel, aluminum-framed window openings on sedans, and improved total contact center-plane brakes, which, Chrysler engineering tests show, have the longest life of any brake yet developed.

The revolutionary Torsion-Aire suspension system is smoother-riding, quieter, and gives greater body stability at higher speeds. Torsion bars, which replace coil springs in the front end, provide new ride control. New lower control arms, easier-steering ball joints, complete rubber isolation and a new front sway bar all contribute to elimination of brake "dip" and give the car the flat-cornering comfort and safer steering control of a sports car. An adjustment screw in the new torsion bar suspension system makes adjustment of the car's front-end height a simple operation.

## TEMPERATURES ARE LOWER IN NORTHERN U. S.

COOLER BUT FAIR WEATHER PREVAILS IN PLAIN STATES

By United Press  
 Cooler air surged across the northern Plains early today toward the Great Lakes, dropping temperatures for the observances of Veterans Day.

Fair weather was expected, however, throughout much of the nations for Veterans Day services and parades. Only exceptions were the Great Lakes region and the northern Rockies where scattered showers or snow flurries were forecast.

A mixture of rain and snow moved into the northeast corner of the nation Sunday, but ended during the night. Precipitation amounts were on the light side, with .23 of an inch at Mt. Washington the largest.

A few showers of snow flurries also were reported in the northern Great Lakes.

Temperatures moved higher in the East and Northwest, and a warming trend in the Southeast was to continue.

## Bandits Shoot Army Officer

INDIANAPOLIS, (UP)—Army Lt. Philip Glessner, 24, Swayzee, was in critical condition in a hospital today with a bullet wound in his head inflicted by two bandits who held up him and a girl friend as they sat in a parked automobile.

Miss Barbara Winders, 21, Indianapolis, said she and Glessner were parked near her home Sunday night when two men opened the car door. She said she screamed and Glessner reached for a cigarette lighter on the instrument panel, apparently intending to burn the bandits.

Miss Winders said she heard a shot and Glessner slumped to the seat.

Glessner was home on a 30-day leave after service in Korea.

## Eight Perish In Cincinnati Fire

CINCINNATI (UP)—Seven children and a 26 year old woman were burned to death today in a fire that burned out a three story brick building in an old tenement section.

Three other adults leaped to safety and suffered injuries. Firemen believed the blaze apparently started in a large pile of waste rubbish near a basement staircase. He said flames sped rapidly up the stairs to the roof.

Scott identified the victims as: Edna Dyas, 26, mother of five of the victims, John, Beverly, Jocelyn, and Arlene Moore, and James Moore, by a previous marriage; and Larry Clark and Terry Clark, 13 months, children of Johnetta Clark.

## Santa Fe Has Freight Wreck

PAMPA, Tex. (UP) Twenty boxcars loaded with cattle jumped the Santa Fe tracks near the center of Pampa Sunday night, and a posse on horseback still was trying early today to round up dozens of animals which fled from the battered cars.

Some cattle were killed in the accident. But no train personnel or other persons were hurt.

## H. S. Band To Conduct Drive

November 17 is the big "Support Your Band" sales day. On this day the Greencastle High School band will canvass the whole town selling candy for the purpose of making enough money to take a concert trip this year. For three or four years a concert trip has been the talk of the band, but only this year have they decided to make definite plans to take the trip. The idea is to send the band to some large school, spending a couple days there and giving a concert. Then, perhaps next year, the band they visit will come to Greencastle on the same terms.

The band members are really enthusiastic about this trip and are going all out for the sales campaign this week. In order to make this trip possible, they need your support. Send your band on this worthwhile trip by making their sales campaign a success.

## MAKING FINAL PLANS FOR 'CANDY CANE LANE'

Shown above are left to right: Mrs. Harvey Treible, Mrs. Chester Coan, Miss Peggy Eppelheimer, Mrs. Robert Eppelheimer and Mrs. Robert Mye, chairman, making final plans for the workshop and bazaar, "Candy Cane Lane", to be held Nov. 15th at the Presbyterian church. Santa Claus will be present.

The 1957 Studebaker President Classic with 225 horsepower is the lead model in Studebaker-Packard's sedan line for the low price field. Almost two inches longer, the restyled models feature two major engineering advancements which are a "utomotive, making" in their price classes.

States "must never neglect its  
sacred obligations to honor those  
who died in battle."

Stewart, better known as a  
movie actor, was the main speak-  
er in the Veterans Day obser-  
vance at the tomb of the un-  
known soldier. He delivered the  
address at President Eisenhower's  
personal request.

Stewart, who was a bomber pi-  
lot during World War II and  
holds the Distinguished Flying  
Cross, said the nation's veterans  
are aware that "peace today  
must be maintained through  
strength."

Veterans' Day observances  
were held under clear skies over  
most of the nation. A number of

cities scheduled special services  
today as well as a holiday for  
banks, schools and federal of-  
fices.

Armistice Day ceremonies in  
Europe were held against a  
backdrop of renewed bloodshed  
in Hungary and the Middle East.  
In Paris, Hartley Edwards, of  
Dennison, Tex., who blew "taps"  
under the Arc de Triomphe just  
after World War I, returned to  
sound the bugle call in ceremon-  
ies there today.

In Kansas City, Mo., former  
President Truman spoke briefly  
at a gathering of his World War  
I military buddies Saturday in  
observance of Veterans' Day. Mr.  
Truman was captain of Battery  
D of the 129th Field Artillery.

## FAIRLY SPOKEN

By Margaret Latrobe  
Last night I listened to a fourth-grade teacher explaining how TV has broadened the interest range of her young friends. Science shows particularly send the kids running to her for fast answers to, What is the geologic age of the left side of Pike's Peak, and What type vegetation, if any, on Mars?  
And she's learned to scan the program notices ahead of the kids. Fourth-graders still have that glimmering shimmering belief that the old folks (teachers especially) ought to know answers.  
But again in the same evening an educator's report stared back at me, doubly opining that TV dulls aptitude of the tender-age group. One set of numbskulls who "watched television from 23 to 70 hours a week" did real poorly in the academic pursuits. Youngsters who indulge in TV between 1-10 hours have "higher general intelligence."  
So they do. So do their parents, permit us to add. The inference that TV is what lowered aptitudes for gulping down sums and geography is what I find baffling. It seems obvious enough that little aptitude existed originally, and watching television is no more responsible for the minus condition of the IQ than any other mode of wasting 23 to 70 hours a week.

If there are homes in which children are allowed to gaze in one direction for such periods of time, surveys are looking in the wrong direction for low intelligence ratings. Better they look to Mom and Dad, under whose tacit approval this screen addiction flourishes.

At enormous expense and after countless years of experiment, a formula has been developed which guarantees—not that the kids will brightly emerge from their homework—but that they definitely will be limited on TV-time. In passing it along to you, I do not suggest that the method is needed in your domicile; only that you might know someone who could use it. (It was some trick getting permission to print the formula, and I hereby thank the eminent research team who so graciously shared their findings with us.)

As the kinder sit transfixed before the magic screen, parent rises quiet-like and advances six paces. With an easy motion involving arm muscles he brings the wrist up about level with the control buttons on the set. Grasping this mechanism firmly, parent relaxes yet operative, parent gives a half-turn to starboard or whichever way is OFF. Cowboys, clowns, comedians and whatever are positively assured of immediate disappearance. The show is over, finished, end quote.

Parent may then follow one of two courses, depending on his pediatric persuasions. He may argue, explain, cajole. Or he may bring the portside thumb into action, indicating routes to bedroom or other areas hospitable to homework. The weak point in this procedure is just here. Parent, having taken away a desired object, may be inclined to substitute another—he might get worked into doing the homework himself. On guard! Point that thumb in the air—thataway! This is no time for indecision or weakness. You want to keep reading the paper, not writing book reports!

Fillmore P. T. A. Meets Wednesday  
The monthly meeting of the Fillmore P. T. A. will be held on Wednesday, November 14. The school is featuring open house on this day, and parents and friends are invited to visit school and have lunch in the school cafeteria. The business meeting will be held at 1:30 CST in the gym.

**UNITED NATIONS MEN TO FLY TO CAIRO TODAY**  
NAPLES, Italy (UP)—The first contingent of United Nations troops was expected to fly to Cairo sometime today to begin policing the Suez Canal zone. Some 152 troops from Denmark, Norway and Colombia awaited a go-ahead signal from Egypt and the United Nations. Five other nations will also contribute to the 6,000 man U. N. force.

**SOVIET NEWSPAPER SAYS FOREIGNERS MUST LEAVE LONDON** (UP)—The Soviet newspaper Pravda demanded today that Anglo-French and Israeli troops leave Egypt at once or face possible intervention by Soviet "volunteers," radio Moscow reported.

"The Soviet people realize where the extension of military conflict in Egypt may lead if a rebuff is not given to the aggressors threatening the destiny of the world," the official organ of the Soviet Communist Party said in an editorial.

**YANKS WHO WENT TO SUEZ ARE COMING HOME: MALTA** (UP)—Five of the 16 Americans hired by Egypt to serve as pilots on the Suez canal arrived here Sunday night aboard the British destroyer Diamond. They said three American pilots left Egypt earlier, and the other eight apparently intended

to stay in Egypt "just to see what happens."

The five chose to leave were among 26 Americans, Greek, the Dutch and Panamanian citizens evacuated from Port Said aboard the British destroyer.

**VETERANS PATIENT KILLED IN FALL FROM A WINDOW** INDIANAPOLIS (UP)—Thomas J. Stanton, 65, an out-patient of the Veterans Administration Hospital was killed today when he fell from a window of his third floor apartment in downtown Indianapolis.

Authorities said the fall was accidental. They said Stanton's vision was impaired.

**FIRST FATAL ACCIDENT ON INDIANA'S TOLL ROAD** MICHIGAN CITY (UP)—The first fatality on the Indiana toll road was recorded Sunday, nearly three months after the first segment of the superhighway was opened to traffic.

Mrs. Julia Granza, 69, South Bend, was injured Sunday morning and died hours later in a Michigan City hospital. State police said a car in which she rode with her son-in-law, Thomas L. Kerr, Edwardsburg, Mich., went out of control while passing a big truck and rolled over in the center strip between lanes of the highway near its junction with U. S. 421.

**MILLER SCHOOL NEWS**  
Mrs. Gail's second grade recently visited the farm of Guy Wright, who is the grandfather of Peggy McLean. Following a complete tour of the farm a wiener roast was held in the summer cabin on the back "40."

Pupils of Mrs. Rockhill's room ended the week churning butter from cream which was given them by Handy's Dairy which they had visited that morning. This was the "pay-off" of a project on the "Dairy" which was the outgrowth of a recent farm unit. As an important part of the farm unit a trip was made to the Stout farm. Here they were loaded on a wagon and taken to the fields where corn was picked then elevated into the cribs. And as usual Mrs. Stout served her famous home-made donuts from the oven. Tours to the fire station and the public library have also been made. After each trip pupils write letters thanking their hosts.

Mr. Kurtz, school superintendent, was guest at a recent teachers meeting. We appreciate his enthusiastic interest in our school. The Third grade under the guidance of Miss Williams took letters which they had written as an English lesson to the post office and were conducted on a tour by Mr. McKeehan. A stop was made at the public library for books.

In a Fifth grade class the other day a discussion was in progress regarding the minting and printing of money. One fellow contended that two dollar bills were still printed for he saw them made in a factory which he visited last summer in Washington, D. C.

Mrs. Harvey Owens, grandmother of Becky and Rachael McClintock, showed colored slides of interesting scenes in Florida, Colorado and South Dakota to Mrs. Todd's Fourth grade.

The Student Council, sponsored by Mr. Hurst, conducted its first meeting two weeks ago and elected the following officers: Jeannie Hammond, President, Susan Clark, Vice-President, Gypsy Runyan, Secretary and Bill Echardt, treasurer.

**EISENHOWER CONFERS WITH JOHN F. DULLES** WASHINGTON (UP)—President Eisenhower conferred briefly with Secretary of State John Foster Dulles at Walter Reed hospital today.

Dulles is recuperating from cancer surgery which he underwent 10 days ago.

**November Meeting of Pleasant Gardens Club Is Held**

The November meeting of the Pleasant Gardens Home Demonstration Club was held at the home of Mrs. Kenneth Eggers on Friday the 9th. Roll call was answered by each member telling something about the first Thanksgiving. The flag salute, club creed and song of the month "Come Ye Thankful People" were given by the group.

Health, Safety, Outlook and Garden reports were presented. The secretary and treasurer each gave reports which were approved. The president reported that the club had placed in the blue ribbon group at the annual Achievement meeting.

A very interesting lesson on Family Relations was presented by Mrs. Carl K. Morlan. Each member was given an opportunity to express opinions on the various topics.

During the social hour Mrs. Hubert Burger was the recipient of the door prize and the contest prize, which was presented by Mrs. Halford Mercer. Delicious refreshments were served to ten members and four children. The December meeting will be at the home of Mrs. Forest Aker. Members are to bring a ten cent comic gifts for the exchange.

full advantage of imperfections  
when they occur. This, Mr. Abel  
failed to do in today's deal.  
On the bidding, a heart or a  
club lead seemed to be called  
for. But after thought Mr.  
Muzzy selected the seven  
of diamonds. Mr. New won with  
the ace, stolidly returned the  
suite. This was about the worst  
suit. This defenders could have  
got off to, but Mr. Abel still fail-  
ed to make his contract.

### SECOND TRICK

At the second trick he over-  
took his queen of diamonds with  
dummy's king. He didn't think  
diamonds would go around again  
particularly since Mr. Muzzy had  
played the deuce on the second  
trick. However, there was noth-  
ing better to try, he led dummy's  
jack of diamonds and got rid of  
a club.

Pleased that everybody had  
followed suit, he now switched  
to a trump. But Mr. Muzzy  
proved to have two sure trump  
tricks and these, with the ace of  
diamonds and a club trick, set  
the contract.

### SAFETY PLAY

Of course Mr. Abel should  
have led the last diamond from  
the board at trick four and dis-

carded his last club. This play  
could not lose and, in this case,  
would have gained a trick. It was  
a safety play against the possi-  
bility that Mr. Muzzy held all  
four outstanding trumps.

The effect of it was to deposit  
on a loser or, in other words, to  
get rid of two losers on one trick.

Here was a case where good  
defense would have put the con-  
tract down two. The opening lead  
and Mr. New's return gave Mr.  
Abel a chance to pick up one  
trick but, as Mrs. Keen remark-  
ed, "Why be half safe?"

## New Look Seen In Both Parties

WASHINGTON (UP)—  
There's a new "New Deal" in the  
future of the Democratic Party.  
A sharp move to a more left-of-  
center position on domestic issues  
is in the cards.

President Eisenhower also will  
be offering United States voters  
a political new look. He calls it  
modern Republicanism. Mr.  
Eisenhower's modern Republican  
Party is Mr. Eisenhower himself  
much more than it is the party  
and the party organization which  
he leads.

Modern Republicanism is a  
blend of the old time GOP reli-  
gion with the Roosevelt New  
Deal of 20 years ago. Mr. Eis-  
nhower did not borrow all of  
FDR's deal. The Republican  
President balked, for example, at  
Roosevelt public power policies.  
He regards the Tennessee Valley  
development as "creeping Social-  
ism." Modern Republicanism is  
inclined toward placing responsi-  
bilities on the states and away  
from centralization of big gov-  
ernment in Washington.

Mr. Eisenhower would like to  
be a budget balancer first and a  
big spender, if necessary, after-  
ward. FDR put the Democrats  
on the big spending thoroughfare,  
and it paid off big at the polls.  
Roosevelt and Truman policies,  
however, were modified some-  
what as those administrations  
faded into history.

Adlai E. Stevenson sought to  
make it official before the Demo-  
cratic National Convention by  
suggesting that the time had  
come for moderation in all things  
political. Gov. Averell Harriman,  
New York, and Gov. G. Mennen  
(Soapy) Williams, Michigan, re-  
buked Stevenson for that.

"There is no place in the  
Democratic Party," said Harri-  
man, "for moderation."  
That was what much of the  
battling was about in Chicago  
when the Democrats gathered to  
write their platform and to nomi-  
nate a presidential candidate.  
Stevenson, the moderate candi-  
date, won in Chicago but took a  
bad beating in last week's elec-  
tion.

The Democratic Party as rep-  
resented by its other candidates  
throughout the nation did much  
better than Stevenson. These  
lesser candidates were, generally,  
more New Deal than moderate  
and the voters made a deliberate  
choice.

The big movement within the  
Democratic Party now will be to  
leftward, which is the direction  
evidently favored at the grass  
roots by Democratic voters out-  
side the South.

Sen. Hubert H. Humphrey, D-  
Minn., was first up with propos-  
als for a Democratic Party policy  
overhaul. Humphrey's plan would  
offend the South, but he argues  
that it must be adopted to hold  
the big city vote in the North.

He outlined a legislative pro-  
gram for the new 85th Congress,  
as follows:

Big-scale appropriations to as-  
sist in school construction; rev-  
ision of tax laws to aid the little  
fellow by raising personal exemp-  
tions by \$100 and to penalize the  
big fellow by repealing special  
provisions for stock dividends;  
increase social security benefits.

## Poland Fears Red Crackdown

WARSAW, Poland (UP)—A  
wave of sympathy for the de-  
feated people of Hungary and  
fear of an impending crackdown  
on a more liberal government  
swept Poland today.  
Rumors that Russia is mass-  
ing several divisions on Pol-  
and's eastern frontier touched  
off fear that the government  
may curtail the new democratiza-  
tion program. Observers said a  
crackdown may be ordered to  
keep the Russians from finding  
an excuse to move into Poland as  
they did in Hungary.

However, there was no official  
confirmation of the Russian  
Signs of an undercurrent of
